

◆를 4개씩 묶어 보세요.

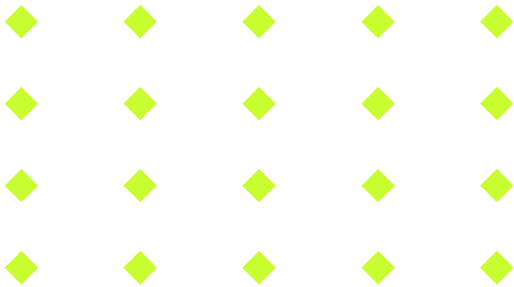

4개씩 묶어서 몇 개인지 세어 보세요.

$$4 + 4 = 8$$

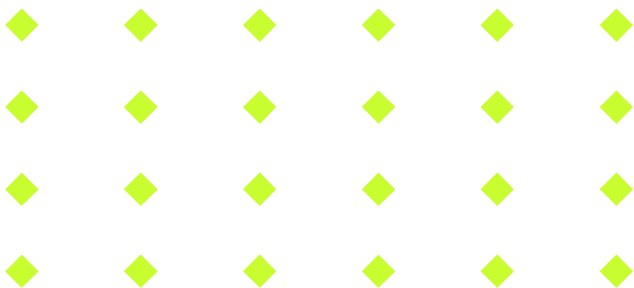

$$4 + 4 + 4 = \underline{\quad}$$

Diagram showing the addition process: a bracket under the first two 4s is labeled 8, and a larger bracket under the first three 4s is labeled 12.

$$4 + 4 + 4 + 4 + 4 = \underline{\quad}$$

Diagram showing the addition process: a bracket under the first two 4s is labeled 8, a bracket under the first three 4s is labeled 12, and a bracket under the first four 4s is labeled 16.

$$4 + 4 + 4 + 4 + 4 + 4 = \underline{\quad}$$

Diagram showing the addition process: a bracket under the first two 4s is labeled 8, a bracket under the first three 4s is labeled 12, a bracket under the first four 4s is labeled 16, and a bracket under the first five 4s is labeled 20.
