

☺ 간단한 자연수의 비로 나타내세요.

$$8 : 12 = 2 : 3$$

Diagram showing the simplification of the ratio 8:12 to 2:3. A curved arrow labeled  $\div 4$  points from 8 to 2, and another curved arrow labeled  $\div 4$  points from 12 to 3.

$6 : 15 \quad \underline{\quad 2 : 3 \quad}$

$18 : 27 \quad \underline{\hspace{2cm}}$

$40 : 60 \quad \underline{\hspace{2cm}}$

$48 : 36 \quad \underline{\hspace{2cm}}$

$21 : 14 \quad \underline{\hspace{2cm}}$

$35 : 49 \quad \underline{\hspace{2cm}}$

$12 : 6 \quad \underline{\hspace{2cm}}$

$28 : 16 \quad \underline{\hspace{2cm}}$

$18 : 30 \quad \underline{\hspace{2cm}}$

$14 : 35 \quad \underline{\hspace{2cm}}$

$8 : 20 \quad \underline{\hspace{2cm}}$

$12 : 20 \quad \underline{\hspace{2cm}}$

$6 : 18 \quad \underline{\hspace{2cm}}$

$9 : 12 \quad \underline{\hspace{2cm}}$
